**Advance Directives:**

Even though ValueOptions and your therapist provide mental health services, federal law requires that we tell adult patients about Colorado laws relating to your right to make health care decisions and Advance Directives. Your provider will provide mental health care whether or not you have an advance directive.

**What is a Medical Advance Directive?** Advance Directives are written instructions that express your wishes about the kinds of medical care you want to receive in an emergency. In Colorado, Medical Advance Directives include:

- **Medical Durable Power of Attorney:** This names a person you trust to make medical decisions for you if you cannot speak for yourself.
- **Living Will:** This tells your doctor what type of life supporting procedures you want and do not want.
- **Cardiopulmonary Resuscitation (CPR) Directive of “Do Not Resuscitate Order”:** This tells medical personnel not to revive you if your heart or lungs stop working.

Your provider will ask you if you have an Advance Directive. If you wish, your provider will put a copy of your Advance Directive in your medical file. If a medical provider does not follow your Advance Directive, you may call the Colorado Department of Public Health and Environment at 303-692-2980.

For more information about Advance Directives, talk with your **Primary Care Physician (PCP)**. To get a copy of ValueOptions’ policy on Advance Directives, call the Office of Member and Family Affairs at 303-432-5956 or 1-866-245-1959.

**Well-Child Exams (EPSDT)**

For clients under the age of 21, we are required to ask if any mental health issues were identified in the last medical visit or well-child exam. We want to address the issues that were identified and coordinate care with your primary care physician (PCP). Your provider will ask you to sign a release of information.

If your child has not had a well-child exam within the last year, your therapist will recommend that you schedule an appointment. If you do not have a PCP or you want a new PCP, you may contact Health Colorado for assistance in Denver **303-839-2120**; outside of Denver **1-888-367-6557** (The call is free.); TTY: **1-888-876-8864**.
